The annual cost of education is determined annually by the ECS School Board. Tuition is divided into ten equal payments per school year (unless another arrangement is made with the Finance office) and is paid three months in advance. There is no discount for paying the entire tuition in advance, and there is no tuition reduction for absences due to illness or vacations of any length.

ECS uses a tuition-remittance program called FACTS for tuition and fee payments. Tuition payments are automatically withdrawn during the first 10 days of the month.

(See payment schedule on reverse.)
