NON-DISCRIMINATION POLICY | ECS does not discriminate on the basis of sex, color, race, national or ethnic origin in its policies or program. However, ECS does reserve the right to select students based on its own criteria of spiritual commitment, academic performance, and personal qualifications including a willingness to cooperate with the school administration and to abide by its policies and regulations. Potential disqualifiers may include language barriers, behavioral problems, and special educational needs that our program does not address. ECS administration welcomes a conversation regarding our ability to meet your child's special academic needs. ECS complies with all WA state age requirements for preschool through middle school. The ECS Board has final authority over registration and any issues should be directed first to the Principal.

Your Partnership Makes A Real Difference

At Eastside Christian School, tuition does not cover every cost. Your giving underwrites key priorities such as capital enhancements, learning enrichment, and faculty development, ensuring ECS remains a place for students to thrive in Christ-centered education.

 Business Alliance Partner — \$1,500+

Your sustained partnership allows ECS to plan ahead with predictable annual support for ongoing needs, empowering us to lean less on inconsistent, one-time gifts and build a stable base. Sponsorship promotes your business in front of families and partners. Most importantly, your generosity brings eternal value—investing in lives, leadership, and legacy.

 Presenting Sponsor, ECS Auction — \$10,000+

As our top-level partner, you will support capital enhancements (e.g., campus beautification, new classroom furniture, and technology upgrades).

 Platinum Sponsor, ECS Auction — \$5,000

With your support, we can provide specialty equipment, instruments, materials, teacher training, curriculum development, and enrichment programs.

 Gold Sponsor, ECS Auction — \$2,500

Your gift helps us subsidize field trips and experiential learning, upgrade classroom technology and software licenses, and expand learning tools (manipulatives, reading resources, STEM kits).

 Silver Sponsor, ECS Auction — \$1,000

With this grassroots-level sponsorship, you'll help grow the library and literacy program, adding books and reading materials, underwrite school-wide events or assemblies that unite the community, and support classroom materials and supplies for thriving instruction.
